“Mama Lena was my beloved 2nd mother and confidant. She was a ray of sunshine and a loving soul. Her 3 boys were her everything and her devotion to them was inspiring. She endured throughout many hardships in her life that most people will never fully understand or appreciate. I believe she has now received her well deserved reward, dancing and laughing with her family and my parents, Earl and Katie Barker in heaven, free from further pain and suffering. I love you Lena and look forward to seeing your beautiful smile again someday !

“Although I am sad that our dear sweet Lena is no longer here with us, I'm thankful for all the memories I have with her. She was the kindest soul, and I can still hear her voice saying "my beautiful Jillian" in the way she always did. I have many happy memories visiting her since I was a kid—sewing my prom dress together and teaching me her craft, showing me all her beautiful paintings and giving me one to put in my own apartment, and going way back all the parties at my grandparents house that she attended in the most fabulous dresses. She was dedicated to those she loved, and she fiercely loved Jack and her children. I miss her very much, but I know she's dancing in heaven having a ball with all her dear friends.

“I was very surprised to learn of Teta Lena's passing. Teta Lena was a force of nature and will never be forgotten. She was always fun to be around, a generous and caring person. Whenever we visited San Pedro, she always managed to sew fantastic outfits for my mother Jasna, (her sister-in-law), us 3 girls. She will be missed. May she rest in peace. Sincerest condolences to you all. Your cousin, Vivi
